

Detroit, a long struggling rust belt city, is now booming with rebirth and new energy, especially in the artistic community. Come experience the fantastic gastronomic scene, the vibrant visual and performing arts, the diverse architecture, and Blessed Sacrament Cathedral, the Catholic heart and soul of Motown. The conference includes a visit to Rosary Cathedral in Toledo, whose historic E.M. Skinner organ graces one of America's most beautiful churches. Join us for workshops with America's most esteemed choral faculty, inspiring performances, prayer, discussion, and fellowship.
